+34 635 600 018 Barcelona, Spain

I am an experienced cinematographer, editor, colorist, camera assistant (AC), and digital imaging technician (DIT) with a diverse skill set. I approach my work with a focus on creativity, meticulous attention to detail, and a patient demeanor. Throughout my career, I have contributed to various local and international projects, including feature films, commercials, documentaries, and music videos.

I possess strong adaptability skills and am fluent in English, Russian, and Georgian, enabling me to work proficiently both independently and as part of a collaborative team.

My commitment to professionalism, diligent work ethic, and unwavering dedication to my craft have consistently made me a valuable asset to every project I take on. As a cinematographer, editor, and colorist, I bring a unique blend of skills and creativity to the table. Additionally, my extensive experience as a DIT and AC allows me to provide technical expertise on set whenever required.

Although I am currently based in Barcelona, Spain, I am available for projects worldwide.
